OLD BUSINESS

Status on 2356 E. Long Lake Road de-listing:

The final report was received without comment by the State Historic Preservation Office, and was thereby approved and accepted. Mr. Miller agreed that the committee would include his delisting with other amendments to the ordinance, probably in the fall.

46 East Square Lake and 5875 Livernois

There has been no response to the letter mailed to 5875 Livernois. The committee is working on the report for 46 East Square Lake Road.

3864 Livernois (Wattles House)

The committee reviewed the survey completed by Kevin Lindsey and Paul Lin and discussed Brian Wattles request to redefine the boundaries, thus reducing the size of the Historic District to approximately 1.5 acres where the historic home stands.

Resolution #HDC-2005-05-003

Moved by Miller

Seconded by Hupman

RESOLVED, That Parcel B of the Wattles Property plus access to Livernois on the south end of Parcel A be de-listed from the Historic District as all historic value is contained in Parcel A. The appropriate property should be re-surveyed by a licensed Michigan Surveyor and the boundaries are provided to the Historic District Study Committee to be included in their preliminary report for approval following the procedures outlined in Chapter 13.
